- 5 Increase number of student activities through different committees

**Note:-**

1. In accordance with the renewal / natural extension proposal, the University Authority Board has approved the renewal / natural extension of the affiliation as mentioned in the above table, taking into account the ratings and feedback received as per the report submitted online by the Scrutiny and Verification Committee, as well as the appointments made by the University Selection Committee for the regular Principal, Librarian, Director of Physical Education (as required) and teaching posts required in the relevant courses to our college, appointments of non-teaching posts and other necessary physical facilities etc.
2. If you have not done the NAAC/NBA assessment/reassessment as required by your college/institute, it will be mandatory to do it immediately. Proposals for further renovation / natural expansion will not be entertained if this
3. It should be seriously noted that in case of obtaining less than 65% marks in Form 'A', 'B' or 'C' in the next three consecutive years from the academic year 2025-26, a proposal for cancellation of affiliation under Section 120 of the Maharashtra Public Act 2016 will be submitted before the University Authority.

Since the approval for renewal/natural extension of affiliation is given subject to the fulfillment of the conditions imposed by the Scrutiny/Verification Committee, the college should fulfill all the said conditions and submit a condition fulfillment report along with the certified copies of the relevant documents to the university within two months from the date of this letter.

Also, due care should be taken to submit the proposal for approval of further affiliation to the University within the time frame with the prescribed fee keeping in view the period of above approval.

Yours faithfully,

**Dr. P. S. Pandav**
